Local Company, simplyneutral™, Acknowledged for Environmental Stewardship

Becker, MN – GenGreen™ has named simplyneutral as a Featured Business on the GenGreen Network, www.gengreen.org in Becker, Minnesota.

GenGreen chose simplyneutral for their outstanding efforts in green business practice and for the promotion of sustainable living through their non-toxic cleaners.

GenGreen selects businesses that they feel set an example in their communities. GenGreen chooses these companies to acknowledge them for their efforts in environmental stewardship. Being named one of The GenGreen “New Green Leaders” is a highly sought after title that GenGreen is pleased to give to simplyneutral.

GenGreen, a company headquartered in Colorado, created its network to help people throughout the United States live their sustainable lives more easily by finding the “green” companies, organizations and people on a local level.

Businesses can post green jobs and events on the website. Community members can participate in the dynamic nature of the website by connecting to different groups, blogging, and finding eco-friendly resources in their area.
